IMPORTANT NOTICE:

The material and its contents (collectively, this “material”) is for informational purposes only and may change at any time for any reason and without notice. This material is strictly confidential, contains citadel proprietary information or other information protected by intellectual property laws, and may not be disclosed to any persons other than those for whom it is intended. This material must not be copied, distributed, or redistributed, in whole or in part, without the prior written consent of Citadel LLC.

This material does not constitute an offer, solicitation, invitation, or inducement to purchase, acquire, subscribe to, provide, or sell any financial instrument. This material does not constitute or form part of any invitation, solicitation, or inducement to engage in investment activity (for example, under Section 21 of the Financial Services and Markets Act 2000 (as amended)). This material does not constitute a recommendation regarding any financial instrument and must not form the basis for or be relied on in connection with any contract or investment decision. This material may constitute an invitation to consider entering into derivatives transactions under CFTC Rules 1.71 and 23.605 but in no case serves as a binding offer to buy or sell any instrument or enter into any transaction.

If you are considering engaging in any investment activity, you should seek appropriate independent financial advice and make your own assessment. It is emphasized that this document is being sent to you in reliance upon your acknowledgment and acceptance that this document is being solely made to and directed at or persons who are reasonably believed to have professional experience in matters relating to investments and who are otherwise permitted by law to receive it (all such persons together being referred to as relevant persons). This document must not be acted upon by persons who are not relevant persons. Any recipient of this document who is not a relevant person should return it to Citadel immediately and take no other action.

This material is simply a compilation of otherwise publicly available data, and neither Citadel Securities Corporate Solutions nor Citadel Securities LLC has undertaken any analysis of such information beyond such compilation. This information does not constitute either “Research” or “Investment Advice”, as those terms are defined under the applicable securities laws, and should not be construed as such. Neither Citadel Securities Corporate Solutions is not an investment advisor and makes no recommendation as to the advisability of transacting in any securities or other financial products. Accordingly, recipients of this material should conduct their own independent investment analysis or consult their own investment advisors before making any

investment decision. Receipt or use of this material does not by itself create a broker-client relationship with Citadel Securities LLC, nor does it not seek to expand the nature of the existing DMM-Issuer relationship between the recipient hereof, on the one hand, and Valuation Metrics or Citadel Securities LLC, on the other hand, or otherwise create an investment advisory or similar relationship between those parties. Any securities activity is conducted by Citadel Securities, LLC (Member of FINRA and SIPC).
